Record Crowd Attends Benefit Softball Game

The largest crowd of the season turned out at the Haliburton Ball Park on Sunday for the All-Star Benefit Softball game. People came from all parts of the County and donated \$95.22 to the Eldon Deacon Fund. Eldon Deacon, star catcher of the Minden Merchants was injured this year in a play-off game at Haliburton. He has been off work ever since.

Players from every team in the County Softball League were present, as the game was billed as the Haliburton Hustlers and Hylanders All-Stars going against the Snowdon and Minden All-Stars.

After nine innings of thrilling ball which saw several home runs hit, the combined Haliburton teams came out the winner by the score of 8-3 over the Snowdon and Minden All-Stars.

Gary McKnight started on the mound for the winning Haliburton All-Stars and Wayne Sawyer hit in later on to

complete the game. A pitcher from Snowdon started for the losers and Al Coneybeare finished the game.

Motorist Injured In One-Car Crash

LINDSAY (ENS) — Thomas Woods, 44, of Haliburton, received out-patient treatment at Haliburton Red Cross Hospital last Thursday evening for injuries suffered in a one-car crash on Highway 519 near the village. Provincial Police said Woods lost control of his car while rounding a curve. The vehicle spun several times before running into a rock abutment. The accident occurred during a heavy rainstorm.

Police said Woods, thrown from the car, was given treatment for head and facial cuts and extensive brush burns. The car was wrecked.

Our Weather Is Wonderful

While many are lamenting about backward weather conditions, Mr. and Mrs. Jean Legein and family Pierre 2½ and Cathy 4, are enjoying every day at Maple Sands where they have been guests for the past two weeks and recently decided to stay one more week.

The Legeins came to Canada from Brussels, Belgium last fall and will stay until Mr. Legein completes an 18 month training program with a large soap company after which they will return to Brussels.

Mrs. Legein explains they enjoy the weather here because the Belgium summers are terrible, being cold and wet continuously.

"That reminds me I have to patch a roof" added Dale Anthes, the proprietor of Maple Sands, completing his first summer season.

What About Our Library?

Much was heard a few months ago regarding the need for a new public library. And anyone who has entered the present cramped quarters that house our library will arrive at the conclusion that a new one is certainly needed.

It would seem as though when a new library was started at the Haliburton Highlands Secondary School, a lot of people felt that none other was needed. This is in error as the library there is for students only.

We may be away off the beam but from what we have been told that if the project were built as a centennial proposition, all the money that would need to be raised is \$1,600.00.

Time is running short and some of our citizens are fearful if we do not act soon we will

never have a new library in Haliburton.

Fire Department To Be Congratulated

The Haliburton Fire Department were called to a fire at West Guilford on Saturday morning last and in less than fifteen minutes were on the scene.

The fire started at the cottage of Mr. L. W. Coates on Grass Lake at West Guilford. The fire started from an overheated oil heater and damaged one wall behind the heater. The Fire Department stopped the fire from spreading to the roof.

Mr. Coates would like to congratulate the efficient and fast service of the local fire department.

Y.P.C. Picnic On Sunday

Sunday is the day of the Young Progressive Conservative Picnic at Kilcoo Boy's Camp. Dalton Camp, National President of the Progressive Conservative Association of Canada will be the guest speaker.

We might add in case you do not know Kilcoo Camp, it is four miles south of Minden on Highway 35. The picnic will get underway at 12 noon and will continue until 6 p.m.

There will be fun and games for the entire family, also swimming, music and singing.

Food and drinks will be available but if you so desire you can bring your own.

Shelter will be provided in case of rain.

Drinking Charge

LINDSAY (ENS) — An Oshawa youth, Wayne Beaudry, 20, was fined \$50 and costs by Magistrate C. W. Guest Thursday last for drinking liquor while under age. The charge was laid following an incident near Kinmount August 18.

Dysart Community Centres Board

A meeting of the Dysart Community Centre Board held recently with those present were A. J. LaRue, C. E. Elstone, Grant Rae, Sid Roberts, W. J. Mackay and Roy Brohm.

Accounts No. 16-23 amounting to \$60.69 were duly passed and signed. It was moved and passed that a contract with Halaz Productions for a two hour Western Show in the amount of \$300.00 be signed with the show to be held in the New Community Arena on October 5th at 8 p.m. The admission has been set at Adults \$1.00, Children .50c. Advance tickets are to be offered for sale.

Tenders were called for the supply of furnace oil for the

Arena for the 1965-66 heating season.

Tenders were also called for insurance coverage for the Haliburton Community Centre for the year beginning January 1, 1966.

Captain R. Simms To Speak At B.A.C.

Captain Ron Simms of Wilberforce will be the guest speaker at the B.A.C. Communion and Breakfast to be held at St. Andrew's Anglican Church this Sunday, September 16th. Captain Simms recently returned from a month's visit to Great Britain.

109th. Golden Anniversary

The 109th Golden Anniversary Re-union is drawing very near and to date over forty of those written to have not replied to let us know if they are coming or not and we are especially anxious to know how many will be present at the banquet on Friday evening, September 24 at the Legion Hall in Lindsay.

On Saturday afternoon we go to the Fair as guests of the Board of Directors of the Lindsay Exhibition and on Sunday we have a laying of a wreath on the Cenotaph and a Church parade and to both of these we cordially invite all Legionnaires and Veterans to join with us to swell the ranks in the parade, as the ranks of the 109th are of necessity pretty thin after fifty years and two World Wars and many of the 109th took part in both.

We have been helped with our expenses by a number of private donations and a donation of one hundred dollars each from the Town of Lindsay and the County of Haliburton and more is expected, so we will not be short of funds to pay all and any necessary expenses in connection with this re-union. If we happen to have a surplus

after it is all over that surplus will be given to a very good charity and we will end with a clean sheet.

If you have not answered your letter or have been missed and not contacted, please do the contacting yourself and write at once to me.

Yours truly,
JASPER FORMAN,
45 Francis St., Lindsay.

50th. Anniversary

Married September 8th fifty years ago by Rev. J. M. White, Mr. and Mrs. Ben Davis have lived near Horseshoe Lake all their lives. On Sunday, September 5th some 200 guests and friends visited them at their home and they received many lovely gifts and cards.

The family had planned a surprise dinner party with a beautiful wedding cake and they wore flowers from their family.

They were very grateful for all gifts and good wishes from family and friends and it is hoped they may enjoy many more anniversaries.

Hockey Meeting Friday Night

Mr. Albert LaRue of Haliburton informed the Echo this week that a hockey meeting has been called for this Friday night, September 17th at 8 p.m. at the Arena Auditorium at Haliburton, Ontario.

All players from last year's Juvenile team and any players of Junior hockey age from Haliburton County are asked to be present.

The main purpose of calling this meeting is to find out if we have enough local hockey talent to form a Junior hockey team. A decision must be reached by Friday night in order to allow the team to enter a Jun-

ior 'D' O.H.A. League. That's this Friday night at 8 p.m.

Florence McGuire

It is our sad duty to record the death of Florence E. McGuire which occurred in Lindsay on Tuesday. Mrs. McGuire is resting at her late residence, Haliburton until Friday afternoon when service will be held at the Full Gospel Lighthouse at 2 p.m.

The sympathy of this community goes out to the bereaved family in their hour of sorrow.

Legion Band Practices Start

The band of the Royal Canadian Legion started practices on Tuesday evening last with a fair attendance.

The band is trying to get fully organized and in fit shape to be able to supply the music at the official opening of Haliburton's new Arena and Auditorium which is slated for some time in October. An invitation is extended to all former members to turn out for practices which are held in the new Legion Hall.

At present the band is lacking in instruments and if former members cannot attend practices, the band would be grateful if you would turn in any instruments in order that same may be put to use.

As a matter of fact considerable effort had to be expended in order to secure enough horns to commence practice on Tuesday evening. If you are holding an instrument and cannot make use of it kindly notify Captain Waywell of the Salvation Army.

Jail Toronto Man On Driving Charge

LINDSAY (ENS) — A mandatory seven-day jail term was imposed upon Neil Paton of Scarborough last Thursday, when he was convicted by Magistrate C. W. Guest of drunk driving. The magistrate dismissed a charge laid of having a concealed weapon, laid by Minden Detachment of the OPP.

Const. Eugene Whitney said he observed the accused leaving a Minden hotel July 19. "I considered he was not capable of driving so I went to the police office, changed into my uniform and started looking for him." He said a blood test indicated a reading of 1.9 parts per thousand alcohol count. The officer claimed he took a small hunting knife from the accused's belt. Paton claimed the weapon was on the car seat.

Motoring Charges

LINDSAY (ENS) — Reginald Shaw, 19, of Kinmount, was fined a total of \$30 by Magistrate C. W. Guest for drinking while under age and having a noisy muffler on his car.

imately three hundred dollars which will be added to the Liberal campaign funds.

A home cooking table also proved to be very popular. A hearty vote of thanks to all who assisted, and especially to Orval McLean, the very capable auctioneer.

Halibur - Teens Activities

The teen-agers of Haliburton have formed a new group called the Halibur-Teens. The purpose of this group is to improve the public image of the modern teen-ager and to promote supervised recreation for the teen-agers of our community.

A special thanks is due to the Haliburton Rotary Club for their permission to let us use the arena for dances on the carnival nights. This started us off financially. Also an anonymous donation of \$50 was gratefully received.

However to make this group a success we need support from the teen-agers themselves. We hope we can get your support at our dances as following:

Friday, September 24th
Saturday, October 16th
Saturday, October 23rd
Friday, November 5th

Thank you.

NOTICE

We wish to inform the public that all donations to the Hyland Crest Senior Citizens' Home at Minden will be deductible for income tax purposes.

What Dysart Council Did

Dysart Council met on Monday with all members present.

Following the passing of the minutes of the previous meeting as read, General Accounts amounting to \$47,937.92 were then given attention by the council and received final assent. Welfare Accounts always provoke comment from the councillors and we would not be surprised if some of the heads of households were brought before the court to ascertain where they got the idea that it is not necessary for them to support their families. Welfare Accounts amounted to \$608.85, up from a year ago when they were \$549.30.

A motion was passed as follows: "That the Ontario Water Resources Commission be requested to give serious consideration in having the proposed water and sewage system for Haliburton Village put on the preferred list as one of those

LOCHLIN

(Intended for Last Week)
Mrs. Jim Minaker has returned home after a visit with her daughter in Montreal.

Mrs. Jack Emmerson and Mrs. Lionel McCracken spent one day last week with Mrs. Russell Robertson.

Sympathy is extended to relatives of the late Mrs. Archie Robertson who passed away in Lindsay on September 2nd after a week's illness. Funeral service was conducted from Ingoldsby United Church on Saturday afternoon, with Rev. Petrie in charge. Interment in Ingoldsby Cemetery.

Mr. Waine and Mark Davison were week-end visitors to the States.

PERSONALS

Mr. and Mrs. Moss Minaker, Miss Mildred Herbert and Mr. and Mrs. Stewart Miller were week-end visitors in the community.

Mr. and Mrs. Vietch, Mrs. Al Gilbert and Mr. Jim Butterfield called on Mr. and Mrs. Sandy Gilbert recently.

Mr. and Mrs. Frank Cook of Beaverton were week-end visitors with Mr. and Mrs. Jim Dugan.

The community was shocked and deeply saddened on Thursday evening when word was received that Raymond Congdon had passed away very suddenly while shopping in Peterborough. While Raymond was not enjoying good health, his sudden

passing was very unexpected. Raymond will be greatly missed by his family, his wife Edna, his daughter Marie (Mrs. Walter Bacon) of Lochlin, Rella at home, his sons Jim and David of Minden and seven grandchildren. Funeral service was conducted by Rev. Petrie from Ingoldsby United Church with interment in Ingoldsby Cemetery.

Mr. Jim Blair called on friends and relatives here over the week-end.

Mr. and Mrs. Allie Baker of Port Dalhousie, Mrs. Maurice Goderre and Shirley of St. Catharines were week-end visitors with Mr. and Mrs. Orville Hicks.

Mrs. Harvey Minaker is spending some time with Mr. and Mrs. Larry Terrence of Scarborough.

The Canada Pension Plan and its benefits

Here is what the Canada Pension Plan will do for people like Joe Costello, a 52-year-old unmarried labourer who earns \$50 a week.

If Joe continues to work full time until age 65 he can look forward to retiring with a monthly pension of \$54.16 from the Canada Pension Plan and \$75 from Old Age Security—a total of \$129.16. That's almost 60% of what he was earning.

If he is ill or out of work for as long as two years, or if his earnings for a period of up to two years are below his regular wage, he will receive the same pension at age 65. This is because under the Plan a certain number of

months of low or no earnings do not affect the amount of the pension.

If Joe wishes to continue working between 65 and 70 and earns higher wages than previously he can improve his pension. For example, if he works until age 69 and earns \$3,600 a year, his pension will be \$61.74 a month instead of \$54.16.

If Joe becomes disabled after 1970, having contributed for at least 5 years, he will get a disability pension of \$65.62 a month until he gets both his retirement and Old Age Security pensions at age 65.

All benefits under the Plan will maintain their value. The actual benefits payable will probably be higher than those given here since benefits will be adjusted to meet changes in living costs and in wage levels before they are paid and changes in living costs after they become payable.

What will the Plan cost you?

If you, like Joe Costello, are employed and have earnings of \$2,600 spread evenly over the year, you will pay at the rate of 69¢ a week. Your employer will pay the same amount.

This advertisement is one of a series which relates some of the important benefits of the Canada Pension Plan to individual circumstances.

Issued by authority of the Minister of National Health and Welfare, Canada, The Honourable Judy LaMarsh.

News Notes From The County

LINDSAY (ENS) — Wesley Bain, Toronto, was fined \$50 and costs by Magistrate C. W. Guest last Wednesday for failing to share the road. The charge was laid by Cobocok OPP following an incident on Highway 46 August 14.

Const. Albert Kea said he was following a car driven by Bain when it overtook another vehicle on a curve.

An oncoming vehicle was forced to brake sharply in order to avoid a collision, said the officer. The case was tried in absentia.

The artificial ice program for the Bancroft Arena is beginning to get into gear. The committee reports that donations have been promised. The project is being sponsored by the Canadian Legion Branch 181 of Bancroft and District. They have sent letters to all municipalities, service organizations, church groups etc. advising them of the Legion's plans and asking for their co-operation and financial support.

Mr. Bert Krump, engineer for CHEX Television Station, has advised that work on the tower at Bancroft will start immediately and should be completed by the end of September.

The official opening and celebration of the Little Britain Community Centre Artificial Ice will take place this Saturday, September 18th.

Michael Hunt, eight-year-old son of the late Mr. and Mrs. Roland Hunt of Cambray, has reportedly regained consciousness in the Sick Children's Hospital in Toronto and is now able to feed himself.

The W.A. members of St. James' Anglican Church at Kilmount were hostesses to a Card Party held recently in the Council Chambers with a good attendance.

The Brotherhood of Anglican Churchmen will meet this Sunday, September 19th at St. Andrew's Anglican Church at West Guilford.

Two men and an 18-year-old youth sustained minor injuries in a \$2,200 head-on crash on the Essonville Road about 4:45 p.m. last week.

Haliburton OPP said the drivers of the cars, Stanley Sommerville, 32, of R.R. 1, Haliburton and Robert Douglas Aston, 39, of Toronto, were not seriously injured when the two cars

met on the narrow gravel road. A passenger in the Aston vehicle, 18-year-old Wayne Aston, also sustained minor injuries, police said.

Police said the accident occurred during a heavy rainstorm. Damage was estimated at \$1,200 to the Sommerville car and \$1,000 to the Aston vehicle. Haliburton OPP Constable Donald Lloyd investigated.

Conklin's Midway will once again be appearing at the Lindsay Central Exhibition.

An estimated 9,000 people were in attendance at this year's Kilmount Fair. Each year the Fair is getting bigger and a lot of effort is being put behind this annual event.

Many of the men from Haliburton County who are employed by General Motors in Oshawa have returned to work following holidays and the changeover.

Good organization in the kitchen can help to eliminate fatigue for the housewife. A stool high enough to allow sitting at the sink to do dishes or prepare vegetables can help. A rack with vertical dividers to hold cake plates, cookie sheets and flat pans will save lifting a whole pile of these articles to get at the bottom one. It is better to sit rather than stand whenever possible.

St. John's Bowling League started on Tuesday at the Minden Bowling Alley.

High School Teacher Seeks Nomination

LINDSAY (ENS) — Alan McPhail, a teacher at Brock District High School at Cannington has announced his intention of seeking the Victoria - Haliburton riding New Democratic Party nomination.

Mr. McPhail, defeated candidate in the last Dominion election, said a meeting of the riding executive was held at Cannington on Sunday to discuss plans for a nominating convention.

"I regret that the Prime Minister saw fit to call an election at this time," said Mr. McPhail commenting on the November 8th election.

"I feel the NDP is the only alternative to the two major parties and am looking for increased support for the party across the nation," he said.

Ted Cory, Lindsay High School teacher, said only 12 Social Credit candidates will be fielded in Ontario. He said if no suitable candidate can be found to campaign for Victoria - Haliburton riding seat, the riding Socieds will throw their full support behind the party's candidate running at Barrie.

"However, we are making every effort to get Alma Hancock, who was party standard bearer in the last election campaign, to return from Alberta and contest the election in this riding," said Mr. Cory.

FAREWELL TO A FRIEND

After a couple of thousand miles of travelling, there's nothing so delightful as to sit in one's own backyard and contemplate the folly of the world. And that's what I'm doing right now.

Two kittens are tight-rope-walking the back fence, as grave and cautious as Blondin crossing Niagara Falls. They have survived the attentions of Wilson, our two-year-old neighbour, who has a utilitarian approach to picking up cats: ears, tail, stomach-fur, or whatever's nearest.

The garage sits there, brooding. When summer began, it was a faded blue. Kim began painting it as a school project. It is now two-tone, half faded blue, half dazzling green.

Peering through the picket fence on the left are the Little Horrors. There are five of them. I'll swear they're all the same age, about two and a half. They lurk like Indians watching a wagon train. The minute we leave the place even to go shopping, they bat down the loose board in the fence and sack the place. They use our lawn chairs as trampolines and the picnic table for mountain climbing, dismantle my power mower and employ our hose to squelch civil demonstrators among each other.

Across the street, where there are two teen-agers, swirls the daily ballet, a kaleidoscope of sound and colour. Kids arriving and departing; swim suits and shorts and pyjamas; motorbikes and sports cars, tennis rackets and golf clubs and footballs.

From the great oaks spreading over the house drop the acorns, thumping the ground with a gentle irregular rhythm. Two lazy pigeons have found an old starlings' nest under our eaves and are squashed in there, purring their throaty growl.

The lawn sprinkler is turned off, but there's a dribble from it, and a young robin is revelling in a shower, doing everything but soaping his armpits.

Up a maple tree, twice around the trunk, along the hydro wire,

jump to the cedar, leap to the vine, scabble up the side of the house and straight into my attic, lickety-split, hurtle two black squirrels. Object, either love or war.

Backyard smells: new-cut grass on the lawn; fresh-washed sheets on the line; cedar and spruce from the trees; and, gently stealing through the back door, the exasperating waft of coffee.

Colour everywhere. Six shades of green in spruce and cedar, elm and oak, maple and walnut. Vivid splash of tiger lilies. Yellow sun dappling trees and patching grass. One delicate pink rose and pale mauve of phlox. Gay striped lawn chairs.

And what more pleasant place to look back over the pattern of summer. Early-morning golf with dew-thick carpet underfoot and air like champagne. Beach afternoons: warm, silky sand and hot sun, the world a million miles away; water like cool silver. Home for cold beer, barbecued steak, new, little potatoes and juice-spurting corn.

Luxury of boat cruise abruptly changed to roughing it in a tent. Tense long-distance phone calls from remote outposts to learn whether son had passed his year. Huge relief to learn that he had done well. Sunday jaunts to visit daughter at camp, going with great gobs of goodies, sitting around for two hours trying to think of something to talk about, returning with load of scummy camp clothes to wash.

Son claiming an 18-year-old can get along on four hours of sleep, and trying to prove it. Daughter busting out all over, as fourteen are wont to do. Wife like cat with cream because I haven't been away from her side for more than four hours all summer. Father promising to write a book, and barely able to find time to write a column.

Goodbye, Summer, you seductress. There'll never be another like you.

OBITUARY

ELLEN ROBERTSON

The community was saddened by the passing of a highly respected citizen, Mrs. Ellen (Nellie) Robertson, on Thursday, September 2nd, 1965 at the Victoria County Home.

Ellen Hicks was born September 24th, 1880. She chose as her life's partner Archie Robertson whom she married in 1901. Mrs. Robertson was in her 85th year and had lived all her life in the Highlands of Haliburton until she and Mr. Robertson moved to Lindsay in September 1958.

Left to mourn the loss of a loving sister is Janie (Mrs. Stanley Baker) Neepawa, and many nieces and nephews. Mrs. Robertson was predeceased by one sister, Elizabeth (Mrs. Blaine Robertson) and three brothers, John, Charles and Amos Hicks.

The funeral service conducted by Rev. G. D. Petrie was held in the Ingoldsby United Church on Saturday, September 4th.

The beautiful floral tributes and the large attendance at the funeral service showed the high respect this community held for this fine pioneer citizen.

Pallbearers were six nephews, Russell Robertson, Allie Baker, Edward Minaker, Bert Hicks, Orville Hicks and Jim Dugan.

Interment was in Ingoldsby Cemetery.

There's an open gate at the end of the road,

Through which each must go alone;

And there in a light we cannot see,

Our Father claims His own.

Beyond the gate our loved one Finds happiness and rest,

And there is comfort in the thought

That a Loving God knows best.

CARNARVON

Recent visitors with Frank Thomas and Mr. and Mrs. Francis Thomas were Mr. Wilmot Thomas of Toronto and Mr. and Mrs. Laverne Thomas of Peterborough.

Among the people who spent a few days in Toronto during the past two weeks were Mrs. Hussey and Ralph, Mrs. Francis Thomas, Mrs. Alex Hewitt, Mr. and Mrs. Bud Medley and Mr. and Mrs. Max McKay.

Congratulations to Mr. and Mrs. Ben Davies on the occasion of their Fiftieth Wedding Anniversary. A number of friends from here dropped in to see them along with relatives.

Driving new cars these days are Bud Thomas, Bob Cowan, Max McKay and Jack Barnhart.

Mrs. Earl Toye is a patient in Civic Hospital in Peterborough where she underwent surgery. At time of writing she is coming along nicely.

A very pretty wedding was solemnized in Carnarvon United Church on Saturday, September 11th when Beth Skelding became the bride of Jim Redner. Congratulations to the young couple. A number of residents took in the dance at the Legion Hall, Haliburton.

This I Remember

(Continued from Last Week)

Anderson's dealt in everything and butter was no exception. It used to come in, packed in large cubical wooden boxes to be traded for groceries and it arrived in various states of preservation. Part of the Grocery Department's stock in trade was a long circular metal affair, like a giant apple-corer, a narrow slit along its length. This instrument tapered from an inch or more in width at the handle end to about half an inch at the bottom and long enough to reach to the bottom of a crock or box.

This gadget was the only protection the store-keeper had from the unskilled or unsanitary butter makers. We used to hang around the store in our spare time for it was a very interesting place. One occasion comes to mind. Dad had just pushed the "instrument" to the bottom of a butter box giving it a twist and hauling out the multi-coloured core. One sniff and with the remark "Good Lord! smell that!" the very unpleasant object was held under my nose! But most of the butter was fit to eat. Only the occasional jox was too unpleasant to sell.

When one considers the labour involved, the lack of conveniences for the butter making and the paltry price, 10c to 15c a pound, it's amazing that so much good butter was received. It speaks well for the dairy practices of most of the farm women.

Except for cheese, dairy products in those days went directly from producer to consumer. Butter was often made at home from the surplus cream and as early as 1903 or 1904 Mrs. Gorrie was enterprising enough to make

a huge freezer of ice cream and sell it in the store at 5c a dish on Saturday nights in the summer. What a rare treat that was. Not everyone could afford it more than once a summer for as before stated, 5c was 5c and nobody had yet said "what's a million" in this fair land of ours. In those days if one couldn't pay one did without.

Those who kept a cow supplied their neighbours with milk. We got ours from "Aunt Bess's" cow night and morning. Hot nights the back kitchen fire was lit and the milk "scalded" before being put down cellar. In the mornings we trotted over to the stable where "Uncle Ed" was fastidiously milking with a long coat to protect him. Besides the covered milk pail we took our mugs to be milked into, the contents consumed on the premises, fuzz and all (not for me!). A cat, the famous Tommy, usually accompanied us and stood on her hind legs to have milk squirted into her mouth to the great satisfaction of all concerned. When Aunt Bess's cow was dry, one of us was sent up to the Dover's with our pail and 5c. This we exchanged at the back kitchen door for yesterday's pail now full of milk. Mrs. Dover was a quiet shy little person and as we were equally shy, not a word was said in the semi-gloom of the back kitchen whose tiny window was darkened by shrubbery. We presented the 5c, she put the lid on the pail and presented the milk and we walked carefully home again.

All these things happened many many years ago. It is gratifying to think that that enterprising family, the Wallings, still play as important a role in the life of Haliburton as they always have done.

LETTERS to the EDITOR

Sunday, September 5, 1965
Mr. Berkeley Feir, Editor
Haliburton County Echo.

Dear Mr. Feir:

On August 5th I went to Toronto to be present at the Opening of the 50th Anniversary Convention of the Rosicrucian Order, known throughout the world as the Ancient Mystical Order Rosae Crucis.

The convention, as we had planned and expected, proved to be the greatest International Assembly of Rosicrucians in the entire history of the Order. The Rosicrucian Order (A.M.O.-R.C.) is traditionally the oldest fraternity in the world.

The convention was truly international in its scope. Rosicrucian Park, San Jose, California is headquarters for North, Central and South America, The British Commonwealth of Nations, which of course includes as a large part Canada, Australia and New Zealand plus many other nations, France, Germany, Switzerland, Sweden and Africa.

For the first time in over 30 years, the convention was held away from headquarters in San Jose, California. As 1965 indicated the Golden Anniversary of the Rosicrucian Order in the Second Cycle of Activity on the American Continent, it was thought if the 50th Anniversary Convention was held in Toronto the attendance would be greater. Our estimated proved to be right. Over 1500 members representing every country in the world practically, as our jurisdiction as already stated covers every continent were present.

The convention floor of the Royal York Hotel in Toronto, with its large lobby and such large auditoriums as the Ontario Room, the Canadian Room, the Concert Hall etc., proved to be the ideal place for the 1500 and more Rosicrucian Fraternities and Sorores to witness ancient and mystical rituals and allegories, as well as to receive from the highest officers of the Order, verbal instruction and demonstrations and experiments of many scientific Rosicrucian principles. We were able to see a

moving mystical allegory which was instructive, entertaining and revealing. There also were administrative meetings of the International Grand Council, Subordinate Committee Meetings.

One of the very pleasant activities of an assembly, conclave or convention, is the opportunity of getting together with a great number of people with one object in mind — the investigation and study of the higher principles in life as we find expressed in Man and Nature. The Ancient Mystical Order Rosae Crucis is a non-sectarian fraternity devoted to that purpose.

The zenith of the program was the magnificent banquet at which over 1300 members and our friends sat down to a gorgeous repast, after which we were charmed by the wonderfully pleasing and exciting render on the Hammond Organ by Miss Rosa Rio, the famous Radio and Television entertainer and a Rosicrucian. One of our High Officers described Miss Rio's concert as magic music.

This was followed by the Rose Ball, but that's for youngsters — I'm 80 — so I went to my room and dreamed that I was dancing at the Rose Ball.

The greatest Rosicrucian convention of all time was officially closed Sunday afternoon, August 8th at 5:30.

Richard Schell Weds Carole Anne Wood In St. Mark's Anglican Church Pt. Hope

A lovely wedding was solemnized in St. Mark's Anglican Church, Port Hope, Ontario on Saturday, August 28 at 4 p.m., when Carole Anne, daughter of Mrs. Clarke C. Wood and the late Mr. Wood of Port Hope was united in marriage to Mr. Richard Carl Schell, son of Mrs. Charles W. Schell and the late Mr. Schell of Haliburton.

Rev. G. Moffatt officiated with Rev. R. J. Carder of Haliburton assisting. The wedding music was played by Mr. A. Prower.

Given in marriage by her grandfather, Mr. L. T. Sylvester, the bride wore a beautiful gown of white silk peau de soie with fitted bodice, styled with lily point sleeves and scoop neckline, seed pearl and lace applique enhanced the neckline and front of semi-bell skirt. A wide train attached at waist featured a scalloped edge of lace. Her double bouffant veil was caught to a double crown of pearl and crystal. She carried a crescent cascade bouquet of pink single sweetheart roses, stephanotis and English ivy and fern.

The bride chose as her matron of honour Miss Linda McCreery of Port Hope, and Miss Anne Schell of Haliburton, sister of the groom, and Miss Elizabeth Wood of Port Hope, sister of the bride as bridesmaids. They wore long empire a-line gowns of Flamingo silk peautique. A full length panel fell from back of neckline. Their headpiece consisted of matching Tom

Jones bows and veils. They carried crescent cascades of pink chiffon sweetheart roses and maiden hair fern.

Mr. Conway Little, nephew of the groom, of Huntsville was best man. The ushers were Mr. Roger Scheffee, nephew of the groom, of Haliburton and Mr. John Sylvester, cousin of the bride, of Port Hope.

The reception was held at the home of Mr. and Mrs. Darou. The bride's mother received wearing a silk worsted dress of gold with matching jacket and white accessories with a corsage of bronze tone cymbidium orchid. The groom's mother assisted wearing a silk linen dress of teal blue with matching jacket and pink accessories and a corsage of pink jingle sweetheart roses.

Following the wedding reception the happy couple left on a honeymoon trip to Niagara Falls and the United States. The bride chose as a travelling costume a white linen suit with double-breasted jacket striped in shades of blue and adorned with pearl buttons, a turquoise Buton Sailor hat, white gloves, matching black handbag and shoes.

Mr. and Mrs. Schell will make their home in Oshawa, Ontario.

Uncle Dudley's Column

On Monday of last week one of our statutory holidays was celebrated, namely Labour Day.

I believe this day was originally intended as a special day of recognition of labour force in any form. Field or factory, the lumberman, the miner, the butcher, the baker, the candle stick maker and all who labour should be included, and the result of their labours should be a finished product satisfactory to the purchaser and of which the builder might be proud.

A loyalty to the employer, and pride in a job well done seem to have well nigh been forgotten in the rush of mass production.

"Made in Canada" is in many instances a slogan with much to be desired in the product it designates.

In talking with an employee of one of the large auto manufacturers, he stated he would not purchase a car that came off the assembly lines on Monday, Tuesday or Friday. Why, I said? Well, we are getting over the holiday the first two days and getting ready for the next one on the Friday. Surely a strange philosophy.

It would appear to me if we, as Canadians, are going to compete in world markets, which we must to hold our economic position, we must pull up our socks and put out a more substantial mouse trap. Proving the old slogan: He who builds a better mouse trap, the world will make a beaten path to his door.

Goodbye now.

EAGLE LAKE

Mr. and Mrs. Merton Thexton, Mr. and Mrs. Clayton Thexton and Donna of Millbrook spent the week-end with Mrs. Buchanan.

Mr. and Mrs. Jack Waters and Miss Anna Waters of Elliot Lake were recent visitors with Mr. and Mrs. L. Roberts.

Mrs. Roy Kellett of Sault Ste. Marie has returned home after visiting with her father and other relatives here.

Mr. Reg Tripp of Toronto spent the week-end with his parents.

The ladies of the Eagle Lake Women's Association held their September meeting in the form of a dinner at Gelert Gardens on Wednesday last.

IN THE MATTER OF THE MUNICIPAL ACT and IN THE MATTER OF A PROPOSED BY-LAW OF THE MUNICIPALITY OF DYSAART et al FOR STOPPING UP AND CLOSING PART OF THE OPEN ROAD ALLOWANCE BETWEEN CONCESSIONS IV AND V FOR THE TOWNSHIP OF GUILFORD IN THE PROVISIONAL COUNTY OF HALIBURTON AND EXCHANGING THE SAME FOR PART OF LOTS 17 and 18 CONCESSION V AND PART OF LOT 18 CONCESSION IV IN THE SAID TOWNSHIP.

NOTICE IS HEREBY GIVEN, pursuant to Section 462 of The Municipal Act, that the Township Council of the Municipality of Dysart et al proposes to consider and, if deemed advisable, to pass at its regular meeting to be held at the Council Chamber, Haliburton, Ontario, on Monday, the 8th day of November, 1965 at 10 o'clock a.m. a By-Law to Stop Up and Close the following:-

(a) THAT portion of the open road allowance between Concessions IV and V in the Township of Guilford, more particularly described as follows:-

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Guilford in the Provisional County of Haliburton, being composed of part of the road allowance between Concessions IV and V across part of lots 17 and 18 in the said Township and which said parcel or tract of land is more particularly described as follows:-

PREMISING that the bearings herein are astronomic and referred to the North 69 degrees 08 minutes East of the centre line of road allowance between Concessions IV and V:

COMMENCING at a point in the southerly limit of the said lot 17, Concession V which is distant 238.93 feet measured westerly thereon from the south easterly angle thereof;

THENCE south 69 degrees 08 minutes west 400.0 feet to the north easterly limit of the original allowance for road 66 feet in perpendicular width laid out along the shore of Cranberry Lake;

THENCE south easterly along the aforesaid north easterly limit to the northerly limit of Concession IV:

THENCE north 69 degrees 08 minutes east 206.7 feet to a point:

THENCE north 1 degree 58 minutes 45 seconds west 69.76 feet to the point of commencement.

Which said parcel or tract of land may be further illustrated outlined in red on a plan of survey by H. C. Bishop O.L.S. dated June 17th, 1965.

and

(b) THAT portion of the open road allowance between Concessions IV and V in the Township of Guilford, more particularly described as follows:-

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Guilford in the Provisional County of Haliburton, being composed of part of the road allowance between Concessions IV and V across part of lots 17 and 18 in the said Township and which said parcel or tract of land is more particularly described as follows:-

THENCE South 1 degree 58 minutes 45 seconds East 242.04 feet to the inner limit of the original allowance for road around the shore of Cranberry Lake;

THENCE Easterly along the said inner limit to a point where the same is intersected by a line drawn through the point of commencement on a course of South 1 degree 58 minutes 45 seconds East;

THENCE North 1 degree 58 minutes 45 seconds West 85.76 feet to the point of commencement.

SAVING AND EXCEPTING thereout and therefrom that portion of the Original Allowance for road between Concessions IV and V which is contained within the hereinbefore described parcel.

Which said parcel or tract of land may be further illustrated outlined in red on a plan of survey by H. C. Bishop O.L.S. dated June 17th, 1965.

The purpose of closing the above-mentioned portions of the original open road allowance between Concessions IV and V in the Township of Guilford is to permit the exchange of these lands for an alternative road allowance to Cranberry Lake.

AND TAKE FURTHER NOTICE that before Passing the said By-Law at its Meeting to be held at the time and place above mentioned, the Township Council of the Municipality of Dysart et al, shall then and there hear in person or by his Counsel, solicitor or agent, any person who claims that his land will be affected by the said By-Law and who applies to be heard.

DATED at HALIBURTON this 13th day of SEPTEMBER, A.D. 1965.

WAYNE B. WOOD,
Township Clerk.

CHURCH NEWS

UNIT TWO, U.C.W.

Mrs. Thos. Muir entertained Unit Two of the U.C.W. at her home Tuesday evening, September 7th, with fourteen members and one visitor present.

Our leader, Mrs. M. McKnight, opened the meeting with the theme, "At evening time it shall be light". The devotional took the form of a musical worship service and several hymns were sung.

Mrs. Jack Robertson announced the Fall Rally, in Carnarvon on October 20th. The U.C.W. of Haliburton to look after the worship service.

Plans have been made for a travelling meal and social evening on September 22nd, starting at 6:30 p.m. from Mrs. Melville McKnight's home.

Mrs. Muir gave a very informative talk on "Art", and the beautiful portraits around the room gave full evidence of her artistic work. Mrs. McKnight graciously thanked Mrs. Muir for her interesting talk, and for the use of her home.

Dainty refreshments were served during a social period.

The October meeting will be held at the home of Mrs. Jack Mackay.

Patricia Cowan Weds Michael Drobot

A beautiful wedding was solemnized in the Chapel of the Ontario Ladies' College, Whitby where in a setting of white gladiolus and yellow mums Miss Patricia Anne Cowan, only daughter of Mr. and Mrs. George W. Cowan of Brampton (formerly Carnarvon) and a former May Queen of the College and Mr. Michael John Drobot, son of Mr. and Mrs. Albert Ouellette of Quebec City were united in marriage.

Dr. S. S. Osborne, Principal of the College officiated.

Given in marriage by her father, the bride wore a floor length gown designed with a ribbon lace bodice and a sheath skirt of sata peau, a full chapel train extended from the back neck line and her shoulder length veil was held by a garland of yellow rosebuds. She carried a white bible from which cascaded a small bouquet of yellow rosebuds, white stephanotis on ivy.

The matron of honour, Mrs. Marilynne Convey of Etobicoke wore a floor length gown of yellow shantung designed with an empire waistline. The a-line skirt was accented with a back panel. She carried one white rose and wore a headpiece of white roses.

Miss Susan Taylor of Brampton, who was the bridesmaid, wore an identical dress in white, with a headpiece of yellow

roses and carried one yellow rose.

The three flower girls, Susan Allcorn of Brooklyn, Tracy Cowan of Brampton and Barbara Lynn Parsons of Dorset, all cousins of the bride, were gowned in identical white organza ankle length dresses, designed with empire waistlines and full skirts and trimmed with yellow velvet. They wore matching hats, white and yellow and each carried one yellow rose.

The groomsmen were Roger Dusky of London and the ushers were Arthur Van Diepen of London and Douglas Cowan, brother of the bride of Brampton.

The tiny ring bearer was Steven Alikokas, nephew of the groom, from Toronto.

The lovely reception was held at Adelaide House in Oshawa where the bride's mother received her guests wearing a deep blue crepe sheath with Guipure lace jacket, matching blue accessories and a yellow corsage. Mrs. Ouellette, mother of the bridegroom, assisted wearing a pale blue dress of Chantilly lace with matching jacket and hat, and a pink corsage.

For travelling the bride wore an off white linen suit with cape jacket and black accessories. After a honeymoon in Lake Placid and Quebec City, the couple will reside in London where they will continue their studies.

Madill - Millen Wed In Peterborough

Beverley Kathleen Millen and John Murray Madill were married on Saturday, August 28 at Ferndale Bible Church and are now motoring to the Southern States and are to take a boat cruise to the United States.

The parents are Mr. and Mrs. Vincent Millen and Mr. and Mrs. Murray Madill, all of Peterborough.

Rev. William Belch of Belleville performed the double ring ceremony. Organ music was by Eric Hartshorn and solos were from Paul Brownson of Bancroft.

Congratulations and gifts were received from relatives and friends in England, Scotland, France, Jamaica and Argentina. Guests at the wedding were from Oshawa, Toronto, Scarborough, Weston, Brampton, St. Catharines, Orillia, Gooderham, Bancroft, Lindsay, Omemee, Lakefield, Brighton and Peterborough.

Peau de soie was the fabric of the bride's full length gown and it had delicate lace appliques embroidered with seed pearls at the neckline. Matching applique with rosettes of the peau swept midway across the skirt front. The back had a bustle trimmed with matching applique just below the waist and extended to a full chapel train. Petals of lace adorned with seed pearls formed the headpiece, holding her bouffant veil of elbow length nylon. Ivy trailed from her bouquet of red roses.

Six attendants were Miss Shirley Taylor, maid of honour; and Miss Beverley Ann Madill, sister of the groom, Miss Ruth Astell and Mrs. Lenore and Bonnie Millen, cousins of the bride, all bridesmaids; and Miss Anne Fisher flower girl. All were wearing toe-length slim line gowns of

sheer peau de soie over taffeta, the seniors with back fullness falling into slight trains, and the flower girl's finished with controlled pleating, a cummerbund waistline and bubble sleeves. Miss Taylor's and Miss Fisher's were candy coral and the four bridesmaid's were sparkling turquoise. Carrying cascades of white carnations, the seniors wore white lace gloves. The flower girl had a nosegay of feathered white carnations centred with pink sweetheart roses.

Ring-bearer was Dean Hartshorn, son of Mr. and Mrs. Eric Hartshorn, and the groom was attended by his uncle, Robert Madill. Ushers were Gordor Hiscox of Peterborough, cousin of the bride, David Broadbent of Oshawa, cousin of the groom, Paul Groat and John Hunter both of Toronto.

The reception was in St. Paul Church Education Centre with Mrs. Millen receiving in a pink lace sheath with matching three-quarter coat and a pink flowered hat. The groom's mother wore a sheath of imported brocade peau de soie in azure blue finished with coat effect and her hat of matching material.

For going away the bride had a sheath dress of aqua crepe with a bolera of matching lace and she wore an aqua flowered hat, black patent accessories, a silver locket and her corsage was white feathered carnation centred with a pink rose.

Mr. Madill is well known a Gooderham, being a grandson of Mr. and Mrs. Allan Madill.

Both Mr. and Mrs. Madill are local elementary teachers at a Peterborough School. They will reside in Peterborough and have the best wishes of the community.

Rotary News

The Haliburton Rotary Club met at the United Church last Thursday night with seven members absent. They were Harold Proctor, Oscar Yarnold, Peter Vanderwal, Curry Bishop, Lew Roberts, Lloyd Moore and Lester Walling.

President Bill Emmerson read out a special bulletin from the District Governor stating that a new Rotary Club at Iroquois Falls has been organized and it brings the total of clubs in our District 701, to 30. The new club has 22 members.

The Rotary Club of Oshawa will hold their Friendship Day this coming Monday, September 20th.

Four members from our club will be attending the Annual Rotary Club Golf Tournament in Fenelon Falls.

We welcome two new members to our club, Doug Hodgson and Dwain Barry. They were inducted last Thursday night.

Our speaker last week was Captain Friend of the U.S. Army Artillery, who has just returned from Viet Nam, having spent approximately a year in Saigon with non-combat troops. He was a most interesting speaker and his slides made the evening that much more interesting.

Dysart Council

(Continued from Page One)

locations that demand immediate attention.

Council went on record in supporting the issue of debentures as approved by County Council June 16th for the construction of a School Library and Gymnasium at the Haliburton Highlands Secondary School.

It was resolved that 80 tons of Salt for winter sanding be purchased from the Canadian Salt Company to be delivered the cheapest way.

A letter was received from the Minister in charge of Municipal Affairs regarding council's action in rescinding the by-law having to do with sub-division control. The letter would seem to infer that council had made a mistake in passing as it would place the prospective buyer at the mercy of unscrupulous subdividers and this could prove to be harmful to the best interests of the municipality. The writer failed to mention the costly delays processing property sales that caused council to pass this rescinding motion. After discussion of the matter council passed the following motion: "Be it resolved that the Department of Municipal Affairs be requested to send a representative to this council as per the Minister's letter of August 25th.

Application is to be made to the Province of Ontario for an expenditure of \$10,000.00 on the Work Incentive Program for brushing and sidewalks during the fall and winter months.

The tender of Roblin Farm Supplies for a Tractor on rubber, equipped with back hoe and front end loader in the amount of \$10,880.55 plus Provincial Sales Tax be accepted subject to approval of Department of Highways.

The Fire Department was authorized to call for tenders for replacement of the existing ambulance.

Permission was granted to George Jones to install a dock on Redstone Lake in front of Lot 20, Con. 8, Township of Guilford provided the necessary permission is also secured from the Department of Lands and Forests.

It was resolved that the sum of \$3,196.00 be taken from the 1965 budget estimates as a municipal contribution towards the construction of a Public Library as a Centennial project.

Our municipal vehicles may be equipped with two way radios which will enable communication between them and a transmitting station which will be installed near the T.V. tower in Haliburton. This is of course subject to the approval of the District Engineer.

Application is to be made by the Dysart Municipal Council for a Development Road from Kennis Lake to Highway 60 through the Township of Have-lock.
